Re: Notification of Change in Tax ID

To Whom It May Concern:

Due to a change in the ownership structure our Tax ID # is changing, effective January 1, 2018. Please add the new Tax ID to your records to ensure a smooth transition for your clients. We are the **EXACT** same company, with the **EXACT** same providers, offering the **EXACT** same services as we have been since October 1, 2012.

- **Current**
Tax ID #95-6467060
Tri-City Emergency Medical Group
DBA: WorkPartners Occupational Health Specialists
- **Effective January 1, 2018**
Tax ID #81-2035379
WPOHS A Medical Corporation
DBA: WorkPartners OHS

There should be no reason for WorkPartners to be removed from your network or need for re-nomination to remain in the network. If there is any reason whatsoever that our new Tax ID # will not be accepted in your network, please contact me immediately so I can reach out to your current clients and engage them in this process so that we avoid interruptions in the services we currently provide to their employees.

I can be reached directly via email, which is my preferred method of communication, at Heather@WorkPartnersOHS.com. We appreciate our business partnership and your assistance in helping us get through this transition as smoothly as possible, with minimal disruption to our clients.

Kind regards,
