GRAND PACIFIC RESORTS
Time Away...Time Together...

Grand Pacific Resorts is a full-service resort management and development company. This includes selecting superior resort locations, securing all of the necessary capital and financing to execute a project, choosing the best development team for a specific resort location, and conducting the marketing and sales process to ensure a successful project.

Headquartered in Carlsbad, California, the Grand Pacific Resorts team provides a memorable vacation experience to every guest at each property. Grand Pacific Resorts has purposefully grown a family of charming resorts through development and partnership in some of the most desirable locations, including California and Hawaii.

What is your role and responsibility?

"Payroll and Benefits Manager at Grand Pacific Resorts, Inc."

What is your greatest workforce health or safety challenge?

"Synergy. Having every resort, every manager, supervisor and associate aligned with the same goal."

Is your partnership with WorkPartners successful?

"We have a new partnership with WorkPartners, but are looking forward to a productive and successful relationship. We like very much what we have seen and learned about the WorkPartners procedures and philosophy in treating the occupational health employee and getting them returned to work."

What is your leadership philosophy?

"Enriching lives through extraordinary experiences."

What was the last good management book you read?

"The Five Dysfunctions of a Team by Patrick Lencioni."

What is your favorite business quote?

"Leadership sees something beautiful and leads people to it" – Horst Schulze
