HYATT®

What is your role and responsibility?

"I am the Occupational Health Manager for Hyatt Hotels in San Diego and Hawaii. Responsible for Risk Management, WC all aspects including reporting process, claims management, medical management/liaison, coordination with allied medical professionals, WC adjusters and Attorneys and other associated vendors. I'm also involved in safety training and maintaining all OSHA required programs."

What is your greatest workforce health or safety challenge?

"I feel it is our aging work force and also employees who work multiple jobs which can hinder them from resting properly, especially in labor intensive roles."

What health or safety campaign has been most successful?

"The introduction of ergonomic tools to assist in minimizing risks in our housekeeping departments. Making SAFETY a priority with all levels of management and colleagues through our monthly safety training."

Is your partnership with WorkPartners successful?

"Very successful. WorkPartners is responsive, contactable... it's a team approach."

What is your leadership philosophy?

"Inspire, develop your team, good communication, never expect others to do what you wouldn't do yourself!"

What was the last good management book you read?

"Start with Why: How Great Leaders Inspire Everyone to Take Action by Simon Sinek."

What is your favorite business quote?

"Successful people do what unsuccessful people are not willing to do. Don't wish it were easier; wish you were better. -- Jim Rohn"

Anything else you like to share with your peers?

"Listen, observe and if you come up against a barrier remove it. Know your audience and what will be the best way to achieve your goal."
